**Seasonal Greetings from Reverend Jane**

Savouring the moment: I wonder how it happens for you? Perhaps it's as small an occurrence as opening a window; shutting a door to create personal space; relishing the scenic view or a socially-distanced walk with a friend; opening an unread book; boiling the kettle, making a cup of tea and reaching out for a companionable digestive biscuit.

I've just returned from savouring Bishopsteignton moments as Daisy-dog and I took a quick constitutional between job tasks. It's easy to become blinkered, absorbed, even driven by the apparent importance of a particular job isn't it? Wrenching ourselves away from our respective preoccupations – in her case, Daisy-dog reluctantly left her cushion on a showery day, and I shut down my laptop and off we headed together, down the Vicarage drive. Brought to my senses by damp, Spring air and a quick burst of welcome, late afternoon sun, it was good to see those budding camellias and burgeoning daffodils which promised accelerated growth to come.

By the time this article arrives in front of you, no doubt that promise will have come into its own and you too will be surrounded by priceless Devon blossom, bloom and bud. Time to look again to seek out bluebell woods; resolve to turn out cupboards; visit the Tip & the charity shops when they re-open; watch and listen out for the first of the returning migrants in the bird kingdom.

Being fully present has tremendous rewards and yields simple pleasures doesn't it? A memorable episode of the Television series 'Grantchester' summed up the value of savouring the moment as follows: Not in another place but this place, not for another hour but for this hour. We waste so much of our life, this gift that God has given us. We worry about our futures. We dwell on our pasts. We have grand dreams. We make great plans but how many of us can say we see them through. This is the life we are here for. Not yesterday. Not tomorrow. Now. This is the life we are here for. We owe it to ourselves to live it.

And, of course, it has tremendous pay-offs. Jesus was a great one for savouring the moment, to be present with his Father, full as his agenda was. For him, it often resulted in a re-focussing of purpose; a shift in perspective. We see that again within the unfolding events of the Easter story with its climax of Resurrection life, light and hope.

As we savour some Spring moments, may we in our turn be self-restored.

**New Team Rector**

## Sunday 11th April 2021 - Torbay Trial

Ideford Parish Council have been notified by the Torbay Motor Club that they plan to use some of the roads in the parish for their Classic Reliability Trial which is planned for the above date.

Classic Reliability Trials are not rallies or races, but a reliability test for drivers and their vehicles, some dating back to the 1930's, to complete "Observed Sections" that are usually steep, un-surfaced and sometimes too rough for most everyday vehicles.

The event route will be fully authorised by the Motorsports UK and has been consulted with the County Highways, Teignbridge District Council, Devon & Cornwall Police and Dartmoor National Parks Authority.

A maximum of 80 Competitors will be using public highways and lanes within the Parish at **low speed**, at approx 1 to 2 minute intervals between approximately 11am and 3pm following the route shown on page 9.

An "Observed Section" is planned on a short part of Three Tree Lane and exit the top near Teignmouth Golf Course. Competitors will be under strict instruction **not to exceed 15 MPH** along any of these narrow tracks and roads.

All competitors will be aware that they may encounter people on foot or horseback while using the narrow roads and will be prepared to stop and switch off engines as necessary.

## Parish Giving Scheme

### PARISHGIVINGScheme

April is the month when Parochial Church Councils publish their Annual Report and Financial Statements. PCCs are responsible for the financial affairs of parish churches as well as care and maintenance of the church buildings and contents. Ideford's historic, medieval and much-loved parish church of St Mary the Virgin, has not escaped from the financial impact of Covid-19.

In their Annual Report, Ideford Church PCC record their gratitude for the generous support of villagers and friends who have continued monthly donations to Ideford Parish Church through the 'Parish Giving Scheme'. This critical income stream has met direct debit payments for insurance, electricity and routine maintenance costs throughout 2020, as income fell by 50%. Part of the fall in income can be attributed to church closures, loss of fees for services such as weddings, cancelled fund raising events and reduced congregations because of social distancing or shielding. Donations through the 'Parish Giving Scheme' have secured an income stream for so many parish churches in these challenging times.

If you find that you no longer carry cash for the collection plate or can't even remember where to find your cheque book, please consider making a regular donation to Ideford Church through the Parish Giving Scheme. It is so easy, the most tax efficient way of donating, now even easier as the PGS digital service is 'live' online. Go to [www.paritygiving.org.uk](http://www.paritygiving.org.uk), then, under 'Donors' click on 'Find your Parish' and enter the postcode TQ13 0BB for Ideford Church of St Mary the Virgin. Please read the PGS Privacy Policy.

## Still house hunting in Ideford

I am really missing village life, and would love to move back to Ideford where I grew up, so if you know of anyone planning to sell their house in the near future, please get in touch. My budget isn't huge - in the region of £230,000, which I know excludes most of the village, but I am hoping that there is a property out there somewhere that could become my new home.

Please contact me ([nicola.aylmore@gmail.com](mailto:nicola.aylmore@gmail.com)) or my Mum and Dad ([janetaylmore@hotmail.com](mailto:janetaylmore@hotmail.com)) if you think you can help. Thank you very much in anticipation!
