THE POPPY SYMBOL [within this month of Remembrance]

P Following on from All Saints and All Souls at the start of this month, the first **P** is for asking God to help us as we **pray** against the dark powers and principalities that try to prevent his kingdom coming – here in our midst

O **The O** is for **offering**. In spite of the restrictions due to the pandemic, across this nation people are planning creative ways to make it possible to spend two minutes in silence – to remember before God the men and women of our nation who have fought and perished through human conflict. In gratitude, today we can **offer** to contribute too 'by working for justice, offering acts of kindness, and walking humbly alongside our creator and redeemer' in our relationships with others to ensure that they did not die in vain for the freedom can we enjoy today.

P The second **P** is for '**peace**'. The peace being referred to is not just the absence of war or human conflict of any kind. Did you know that the poppies that covered the killing fields of the First World War were growing as a result of the bombing and fighting? The poppy seed has a very hard shell that needs to break to germinate. The violence and vibrations of the fighting helped to break these seeds. The red field poppy, the token emblem we wear today, is a frail flower. It grows in the poorest of conditions – at roadsides and where the soil is thinnest, and if it is picked – it dies quickly. Yet this symbol now has a very loud voice. It is worn every year and shouts out for PEACE!

P This leads straight into the third **P**. This **P** stands for '**purpose**'. By remembering those who died – to enable us to enjoy freedom and liberty – also makes us realise how important it is to keep peace in our time. In Matthew's Gospel Jesus teaches: Blessed are the peacemakers, for they will be called sons of God. Are we willing to become peacemakers amongst those whom we engage with today?

Y The **Y** can stand for **yours** and my response today. It is the invitation for each one of us to fight valiantly as a follower of the Lord Jesus Christ against sin, the world and the devil, and to remain faithful to him to the end of our lives.

Today, despite current social restrictions we are still being invited to wear our POPPY to honour others who have perished; echoing today these words from a poem by Robert Laurence Binyon and published in The Times newspaper in 1914:

They shall grow not old, as we that are left grow old:

Age shall not weary them, nor the years condemn.

At the going down of the sun and in the morning '**We will remember them**'

OPEN STUDIOS – ST JOHN'S CHURCH LUTON

I would like to thank Vicky and Angie for staging the Open Studios this year, it has proved a great success under the circumstances. The hard work they put into it was duly rewarded with a good number of visitors to the exhibition.

I would also like to thank the ladies who helped me on the weekends with the refreshments, you were greatly appreciated.

The sum of just over £600 was raised for St Johns a wonderful achievement and my grateful thanks to you both.

Kath Vooght

Thank you!

Vicki and I would like to say a huge thank you to everyone who came and supported us for Open Studios 2020, in these challenging times we were unsure of the response to this event. We were surprised and delighted to welcome so many visitors to this Covid safe venue. The 'little church with a big heart' has reached out again! All this would not have been possible without the support of Kath Vooght and John Reddaway, Churchwardens of St John's. They organised, with family members, the removal of the pews. Kath thoroughly cleaned the space ready for us to move in and then started baking!

With social distancing and sanitising in place Kath was able to offer refreshments in the schoolroom and we were able to run the draw in church. Thank you Kath for all the hard work and for the delicious refreshments you provided every day! We realise how tiring that was, but you really made a difference to our visitors' experience in difficult times. Let's hope for a good and safe 2021,

Thank you again. Vicki and Angie.

Thank you!

Thank you to everyone who supported the recent take away cream tea. £184.60 was raised, which has been split equally between the Hall and St Mary's Church.

Learning to be a Lizard

I'm learning to be a lizard
tho' not yet on the page
where I flick out my tongue,
catch my lunch,
crunch its exoskeleton,
spit out the wings.

I'm learning to be a lizard
in unusual hot and sunny times,
ambitions locked down,
eating sleeping
my habitat narrowed,
creeping out as light hits the wall,
wakes me up.

I stretch my face to the sky,
scan the big blue
wait for a vapour trail,
watch the buzzards
circling
in the thermals,
listen to the cracking of the cones
in the pines above.

I'm learning to be a lizard
as the heat beats off
the mottled slabs.
The world and I so still.

'Learning to be a Lizard' is taken from a pamphlet entitled 'Isolation Diaries', released by Moor Poets, a community of poets based in and around the Dartmoor area.

First Things First

Our monthly Team Meeting will be on **Sunday 1st November at 5pm** at St Mary's, Ideford (immediately after the evening service). Everyone is welcome, regardless of which church community you belong to. It will last about 30-45 minutes.

Ribbons of Remembrance

All Saint's Day (1st November) to Remembrance Day (11th November) provides time to recall people who were special to us and those who gave their lives for our nation.

Please feel free to bring a piece of ribbon and tie it to the church gates in memory of someone. Do add a name or message if you wish.
The ribbons will remain in place until Saturday 14 November.

At the Annual Church Meeting, heartfelt thanks were minuted to all those in the community of Ideford who contribute to the life of St Mary's including those who've cleaned, arranged flowers, unlocked & locked the church over the last year. Team work is always appreciated. If you'd like to volunteer to serve on the church council - a small, enthusiastic and imaginative group of people, please contact Revd Jane tel: 870288 email: revjanefrost@gmail.com.

Christmas Ideford Raffle

Due to Covid this year, most fundraising events have had to be cancelled. Therefore the Village Hall, Millennium Green and Ideford Church are going to come together to organise one big raffle with profits to be split equally three ways. The tickets should be with the December Magazine, and there will be various opportunities throughout December to return tickets.

BUT..... we need lots of raffle prizes, would you be willing to donate something??? If so can you please contact me, Jane Hill, on 07871 103235 or 01626 859571

I would like to take this opportunity to introduce myself as your local Neighbourhood Beat Manager and inform you that I am looking to hold Police and Communities Together meetings (**PACT meeting**) within the village moving forward to give you a chance to raise issues affecting your local area and simply give you the opportunity to meet me in person.

The meetings will be advertised in advance via the Parish News and social media platforms with dates, times and venue(s) highlighted in the hope they are well attended (**naturally all Govt. social distancing guidelines will be adhered to**) to give you the chance to discuss any concerns or issues with your local Neighbourhood Policing Team especially in these unprecedented times.

Ideford PACT Meeting
Friday 13th November 2020 9:30 am – 11:30 am
Ideford Village Hall

In addition to these meetings I will be passing through most days and I am more than happy to stop and discuss any concerns you may have. Finally, we are looking to work closely with your local '**Community Speed Watch**' team to monitor speed of vehicles in and around the village to ultimately:

- **Reduce death and injury on the roads**
- **Improve the quality of life for local communities**
- **Reduce the speed of vehicles to the speed limit**

In the event you cannot make the proposed PACT meetings, please do not hesitate to contact me as follows or simply stop me whilst on patrol when I am in the village.

Ideford's Oak Tree

As I'm sure you will all have noticed, our lovely young Oak, outside our local pub is looking very healthy, with an abundance of acorns. However, at the base of the tree, many of you may have noticed a large fungus growing. This has been photographed, I am fairly sure it is a 'Beefsteak Fungus' common to Oak trees. It is harmless to humans (indeed when young is delicious to eat) but not so good for the tree.

The Parish Council has engaged a consultant to visit and give a risk assessment and advice on the way forward. Please do not be tempted to remove the fungus, it will make no difference. We hope that the tree can be managed to live a relatively long life without having to replace it yet again. We will update you all after the risk assessment has been carried out.

Thank you Suzanne for taking my camera from me, while I was in the car and you were waiting for the school bus, to take the photo, just in case the bus arrived! We all hope that we can keep our tree. It is such an important image for the village with Phil and Caroline from The Royal Oak taking such great care of it in its very early years, investing so much time to encourage it to grow well. Let's hope we can have a good outcome for this tree.

Hello everyone,

The church is organising a village community project, not for fundraising (although we are co organising an Ideford village Christmas raffle with the Village Hall and Millennium Green)

The idea is for a **Real Advent Calendar** with a new window opening every day in December. We thought this year with Covid, this would be a good opportunity for this to happen and to have a bit of community spirit.

Do you have a garden or window next to the road??

The idea is that you do a real advent window. This could be something in the garden eg a lit up shape, tree, star etc or something in a window like a stained glass picture made of coloured paper. It would then be visible for the rest of December. We would have an advent map in the December magazine, so you can then walk around the advent calendar.

IF YOU WOULD LIKE TO BE INVOLVED WITH A WINDOW CAN YOU PLEASE CONTACT Jane Hill on 07871 103235 or 01626 859571

House hunting in Ideford

I grew up in Ideford, and am now really missing village life and would love to return, so if you know of, or hear about, anyone planning to sell their house in the near future, please get in touch. I'm not a first time buyer but my budget still isn't huge (around £220,000) which I know excludes most of the village. I also know that there are still some smaller gems around. My property is on the market and 'sold subject to contract' to a first time buyer, so I should be able to move fairly quickly.

Please contact me (nicola.aylmore@gmail.com) or my Mum and Dad (janetaylmore@hotmail.com) if you think you can help. Thank you very much in anticipation!
