Thoughts of Revd Peter Burren

Sometimes it feels like everything keeps on changing, doesn't it? I was recently walking around a local supermarket, and they were in the middle of a large scale rearranging, so my shop took twice as long as it usually did. I was previously quite content to go off to the shop with my list, and go to the various parts of the shop to get what I needed, and get out again as quickly as possible. But now, I can't even find the milk, bread, or even cat food for my poor cat! So, it can be really frustrating, but it can also be a source of great comfort and contentedness.

As I write this, I am looking out of my kitchen window over the stunningly beautiful view of Teignmouth as the sun is just beginning to put some colour into the previous night's sky. As the mornings' rays reveal the beauty that is the Teign Valley, I am reminded of the soul searching my family and I took in making the decision to move to Teignmouth. When we first arrived, getting up at this time, I looked out at the view and it was all black, still night. However, as the months and seasons have slowly moved on, the days are getting lighter earlier. I don't know about you, but this always makes me feel better about life in general. There is nothing wrong with Winter, it's an essential part of the cycle of the seasons, but when Spring emerges from the dark of Winter, it gives us the promise of the better days to come. And they always do.

When changes happen, it's in our nature to be suspicious, and we very often instinctively react against it, but those changes, although initially difficult, can be the source of such joy. My family and I moved to Teignmouth so that my wife and I could take up our positions as curates for the parish. To do so took a step of faith into the uncertainty of the unknown. We took that step, that decision, by putting our faith in God's hands. Even though things may seem difficult at the start of any period of change, there is one thing that we can rely on throughout it all. God is the one constant in all of creation. He is unchanging in the love he has for us all. It will always be there, even if it all seems dark. All we have to do is seek out his light.

Moving On

We have both hugely appreciated all that has brought us 'life' as part of the Haldon Mission Community over the last 4 years. However, it has become apparent to both of us that Jane needs to re-frame the future of her ministry as continuing to work as a full time stipendiary priest is no longer possible. The need to evolve has been a personal one and into that context of exploring other avenues, Jane has been appointed to the post of part-time Associate Minister in the Totnes Team Ministry, based in Marldon. We are already well known in the Totnes Team, where Jane served her initial curacy following her ordination in 2015. She will be licensed there on 12 June by the Bishop of Plymouth.

We feel it is the best 'next step' for us both individually and together. The Diocese is already working with Revd Carol Green, the Team Rector to support the ministry here in a number of ways until a new appointment is made.

Our decision to move on is a completely personal one. Our last Sunday will be 30 April and there will be a Team Farewell Service at St Michael's, Teignmouth in the evening – details to be announced.

It would seem, on reflection, that God sent us to where we have been since June 2019. Sent rather than called, as Jane sensed very strongly at the time. Sent for the expected and the unexpected – notably supporting six (now eight) churches through pandemic lockdowns and a year-long absence of a Team Rector. That was a time of great challenge but also great things – new ways of being church, new ways of encountering God.

We have pleased and we have disappointed. We have gained and we have lost. And now God is calling us on. Another place – a familiar one at that. Another chapter in the ongoing story. Another way to encounter the truth of what St Benedict said: 'Always we begin again.'

Our prayers will continue to be with you.

Revd Jane & Richard Frost

Can you help?

We are looking for someone to share the locking and unlocking of St Mary's Church with Rachel Blake during September. If you can help, please chat to Rachel or contact Janet on 01626 852259, email: j23aylmore@gmail.com. The church should be unlocked in the morning, at a time to suit you before 10am, and locked in the evening, after a quick visual check that all is well, and you're not locking anyone inside the church!!

CREATIVE CORNER

I will be renting the hall twice a month through Spring and Summer to work on my painting and drawing. The hall has great light! Why not join me and work on your own project? It could be anything: knitting, crochet, sewing or any art or craft project, 2 or 3D. Tea, Coffee and biscuits will be provided, I've always thought that being creative needn't always be a solitary activity! Why not come long, meet new friends and share ideas and a chat! There is no fee, but a small donation towards the rent would be appreciated. Hope to see you there.

First 4 dates Tues 11th April, Tues 25th April,
Tues 16th May, Tues 30th May.

Times..... 2 - 4pm.

CHARITY SEED SWAP AND PLANT STALL

Saturday - 1st April and 6th May

Every year we end up with a surplus of seeds and plants. We have therefore decided to set up a small seed swap/plant stall this growing season to raise funds for the Motor Neuron Disease Association.

It will be located outside 'Ty Gwyn' in Fore Street, which is directly opposite the entrance to the Millennium Green. So, collect your spare seeds – packets that you know you'll never use up, seeds you have collected, familiar or unusual varieties, veg or flowers and pop them in the box provided. Please take what you'd like in return. If you don't have any seeds to swap please just give a small donation instead!

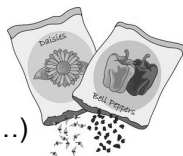

Instructions for Seed Swappers: Please ensure your seeds are in dry, well-sealed envelopes or packets, and properly labelled. Make sure the label includes:

Plant name: [eg Tomato]

Type: [eg Gardeners Delight]

Date collected or bought: [eg September 2019]

Any other information: (eg. F1, heritage, rare, delicious...)

There will also be a small selection of plants to buy/swap.

Sustainable Ideford

Public Meeting - everyone welcome

Ideford Village Hall, 7pm to 9pm Wednesday 12th April

We are a grassroots, solution-focussed group of residents interested in promoting and enhancing all aspects of sustainable living and wildlife protection in and around Ideford.

This is our first open meeting, and we would love to see you! Please come and share your ideas, thoughts and feedback on our current and planned activities – or just come and listen to see if you'd like to join us and help out.

At this meeting we will also be presenting on the Action for Climate Teignbridge (ACT) Carbon Footprint Tracker, followed by a discussion on how we might use it in our community to help reduce our carbon footprint.

007/23

.PLANNING

007.1 The following comments were made since the last meeting:

22/0222/HOU – Church End First floor extension

The Parish Council supported this application.

010/23

DATE OF NEXT MEETING Thursday 9th March 2023.

The Chair closed the meeting at 8:19pm.

IDEFORD PARISH COUNCIL

**Minutes of the Parish Council Meeting
held in the Village Hall on 9th February 2023 at 7pm**

Present: Cllr David Fox - Chair Cllr J Gardner
 Cllr A Carter-Woodwark Cllr T Hill
 Cllr H Bellamy
 In Attendance: Cllr R Peart Mrs J Thompson - Clerk
 Three members of the public

Item	Discussion and Decisions
001/23	WELCOME AND APOLOGIES FOR ABSENCE The Chairman opened the meeting at 7pm. Apologies were received from Cllr M Batting.
002/23	MINUTES OF THE LAST MEETING It was proposed by Cllr A Carter-Woodwark, seconded by Cllr T Hill and agreed by all to accept the minutes of the meeting of Thursday 8 th December 2022 as a true and accurate record.
003/23	DECLARATION OF INTERESTS None
004/23	PUBLIC PARTICIPATION None
005/23	REPORTS None
006/23	PARISH MATTERS
	006.1 Discussion took place on providing more village amenities and the following decisions were deferred until the next meeting: placing a litter bin in Town Farm Lane; payment for the dog poo bin in the M Green and contributing to a hardstanding in the M Green.
	006.2 Comments for the Teignbridge Local Plan 2020 – 2040 were deferred until the next meeting. Cllrs did though comment that the LA were struggling to adhere to the current regulations and needed to deal with them before spending time producing reports about the future. Cllr J Gardner mentioned that we needed to appreciate that the LA needed to plan for the future - and had we/did we need to further consider some of the plans for local windfarms to meet local energy requirements, as some of the proposed sites are close to Ideford.
	006.3 Clerk to contact Royal Mail to request a post code review.
	006.4 Discussion on gritting routes were deferred to the next meeting. Cllr R Peart will request DCC Highways inform the school buses about the next planned road closures in Ideford.
	006.5 The PC and M Green were happy with the current schedule of emptying the dog poo bin at the M Green.
	006.6 The next Sustainable Ideford meeting is 22 nd February and the group hope to become more inclusive with plans to meet at the village hall and offer refreshments. Plans for a spring or summer event are progressing and a carbon footprint reduction scheme is being considered for the village
	006.7 The Wildlife Wardens have started voluntary hedge surveying – a fact-finding exercise for the Records Centre. A grant scheme is available for hedge improvement and if relevant to residents the wardens will advertise this in the P News. Cllr R Peart agreed to grant fund the purchase of a trail camera for use by residents.

Sustainable Ideford F is for Fairtrade

Fairtrade is a system of certification that aims to ensure a set of standards are met in the production and supply of a product or ingredient. For farmers and workers, Fairtrade means workers' rights, safer working conditions and fairer pay. For shoppers it means high quality, ethically produced products.

Choosing Fairtrade means standing with farmers for fairness and equality, against some of the biggest challenges the world faces. It means farmers creating change, from investing in climate friendly farming techniques to developing women in leadership.

With Fairtrade you change the world a little bit every day. Through simple shopping choices you are showing businesses and governments that you believe in fair and just trade.

How fair trade helps:- an example

Climate change is making some of our favourite foods – like coffee, bananas and chocolate – harder and harder to grow. Combined with deeply unfair trade, communities growing these crops are being pushed to the brink. But through Fairtrade, farmers are finding ways to stand together.

Liliane and Mauro da Silva are a coffee-growing, daughter-raising, future-focused team. As husband and wife they farm land in Brazil's Sul de Minas region. It was what Liliane's father did, and she wants her own teenage girls to be able to carry on the proud family tradition of producing top-quality coffee.

However, farming costs are going up, coffee prices are increasingly volatile and the effects of the climate crisis are deepening. Fellow coffee farmers in other parts of Brazil have recently suffered from unusually heavy frosts, and Liliane and Mauro have noticed that the weather is getting increasingly unpredictable.

She and her colleagues in the Fairtrade co-operative are trying out different methods for protecting their harvests. As well as financial support from Fairtrade, they also receive expertise and information about what's been successful for coffee farmers elsewhere. They also have a long-term trading relationship with a UK coffee buyer, which they value greatly. As Liliane puts it: 'We are not in charge of the climate, but we can collaborate a lot with it.'

Firstly, thank you for taking the time to read this letter! I am writing to all Councils, Parishes, Towns and Wards in the UK to ask them to take part in this amazing project!

Hedgehogs R Us Highway Project

With Hedgehog numbers in decline and Hedgehog awareness on the rise, there has never been a better time to get involved in Hedgehog conservation.

A Hedgehog Highway is a 5 inch gap in a fence and is essential in the battle to prevent the extinction of our endangered spiky friends. This gap allows them access to forage for food and meet mates. A Highway surround raises awareness to their plight and encourages others to take part.

I am asking for each area of the UK to use a small portion of their assigned funds to purchase a box of hedgehog highway surrounds and make them available for their residents.

Each box of 50 is £150 and includes:

- * 50 Hedgehog Highway surrounds
- * 50 information leaflets
- * A display box & window sticker showing you are part of the project.

Ideas of how to benefit your community include:

- * Donate the Highways and leaflets to your local school to educate in wildlife conservation
- * Swap the Highways for a donation of Hedgehog food which can then be given to your local Hedgehog Rescue Centre

The project will be receiving a lot of publicity in the coming months via Social Media and I really hope that you choose to take part.

My dream is to make the whole of the UK one giant Hedgehog Highway and for that dream to come true, it needs EVERYONE to take part.

Money is donated to Hedgehog Conservation for every box sold too!

If you would like to order or have any questions please do not hesitate to get in touch and thank you for caring.

Linda Cook, Founder of Hedgehogs R Us

Please Note: If there is enough interest in the scheme the Parish Council will purchase a box of 50 Hedgehog Highways surrounds - please contact the Parish Clerk.

Next month is No Mow May!

If you're interested in gardening for wildlife, there's a very good on-line event on 6 April at 7.30 pm, organised by Moor Meadows.

Adrian Thomas, author of the RSPB guide to wildlife gardening, will give a practical talk on how to create and look after a wildflower area, plus how to attract more wildlife to your garden. There will be an opportunity to put questions to him.

The event is free, though a small donation to Moor Meadows is welcomed. Book at <https://lawnmeadow.eventbrite.co.uk>

The Wildlife Wardens

Feeding wild birds was discussed briefly by our Parish Council and as Wildlife Wardens in our village we felt this article would be of interest:

Tuppence a bag? What are we feeding the birds? – Well, whatever it is will certainly be costing more than tuppence a bag, but if you do put food out for the birds, what is its quality and is it being washed down with a generous dose of mycotoxins (moulds), trichomonosis (a disease caused by a protozoan parasite that particularly affects finches), or possibly bird flu?

I gain a huge amount of pleasure from feeding the birds and consider it some compensation for the loss of natural habitat due to the dominance of human activity. However I worry about creating dependency, distorting the balance of species that would naturally occur, and putting birds at risk of disease.

The British Trust for Ornithology (BTO) reports studies of the impact of feeding our wild birds showing that, on average, food from bird feeders makes up less than 20% of a blue tit's diet, though this increases at times of severe weather, and that birds exclusively feed their young on naturally foraged food. So dependency does not appear to be a major concern. Disease is however. The decline of green finches and chaffinches (chaffinches by 25% in the last five years) is understood to be caused by transmission of trichomonosis at bird feeders. Mycotoxin moulds, often already in bird foods when bought, accumulate especially in damp weather, affecting bird health. And this year avian flu, which has been having such a devastating effect on our sea bird colonies, shows the risk where birds gather together. The BTO makes the following recommendations:

- **Clean feeders regularly with soapy water (e.g. weekly)**
- **Keep bird baths clean and provide fresh drinking water daily**
- **Rotate the position of feeders to avoid the build up of food waste and clean beneath them**
- **Stop feeding if you think infection is occurring.**
