Revd Jane writes:

It was a hopeful sign of the times that Evensong in Ideford recently hosted an incoming swallow which accompanied organist Sue Harvey as the service drew to a close. Meanwhile, the growth in the Vicarage garden in Bishop accelerates and the burgeoning roses remind us Summer is truly here. I wonder what July brings to mind for you?

In another life, for me it heralded the end of term and long Summer holidays – a welcome part of the annual teaching rhythm. This year, in the Haldon Team of 6 churches, soon to be eight as we are joined by Shaldon & Ringmore, we are looking forward to the arrival of a new Rector. The Revd Carol Green will be licensed by the Bishop of Exeter at St Michael's Teignmouth on 27th July at 7pm. More details about that service will appear in the Team newsletter and on the Team website in due course.

As I write, although some will have found changes to the government's road map intentions, an understandable challenge – even a frustration or disappointment, exercising the art of the possible remains the most life-giving way forward. Hope is a precious commodity isn't? Within living memory, back in May, I was able to take my annual retreat time at Sheldon near Christow. The speaker who lead the week reminded me of the following from Rilke's 'Book of Hours'. Whatever July looks like for you, I trust you will be able to 'mine' a seam of ongoing hope in your life:

God speaks to each of us as he makes us,
 then walks with us silently out of the night.

These are the words we dimly hear:

You, sent out beyond your recall,
 go to the limits of your longing.
 Embody me.
 Flare up like flame
 and make big shadows I can move in.
 Let everything happen to you: beauty and terror.
 Just keep going. No feeling is final.
 Don't let yourself lose me.
 Nearby is the country they call life.
 You will know it by its seriousness.
 Give me your hand.

Digital Skills for Communities - by Cosmic

This training is funded by the Prince's Countryside Fund and is designed to support rural communities to thrive.

Cosmic, based in East Devon, provide an innovative range of services and support to help people identify their Digital need and to progress with their ambitions. It is a social enterprise offering skills training and services to a wide range of organisations, communities and individuals.

This summer, Cosmic will be offering free training to rural communities in our region, supported by the Prince's Countryside Fund. We particularly want to support community groups, parish councils & rural organisations in rural areas.

The digital skills training is designed to support those organisation to become more confident in using technology within their operations and practices, discovering the benefits available and getting to grips with the issues of online safety and security.

The Digital Skills for Communities programme will be offering three workshops, over six dates, covering the following topics:

- Digital Skills for Productivity
- Digital Skills for Communications
- Understanding GDPR & Cyber Security

Flytipping is a criminal offence.
You could face a fine of £400 or prosecution if you're caught.

**Our district is beautiful.
Let's keep it that way!**

Report flytipping online at
teignbridge.gov.uk/flytipping

Teignbridge is working with partners across Devon as part of 'Clean Devon', to tackle the issue of littering and fly tipping, and ensure those responsible are caught and penalised. Incidences of fly tipping are on the increase and the council is targeting 'hotspots' where rogue contractors are dumping waste collected from residents, rather than disposing of it responsibly.

Councillor Alistair Dewhirst, Teignbridge District Council's lead member for waste and recycling said: "Many people don't know that they are responsible for disposing of their waste – even if they pay a company to get rid of it on their behalf. So the onus is on the householder to check that the company they're paying to get rid of their rubbish is disposing of it legally – if not, it could be a lot more expensive than they anticipated as they could be liable for a heavy fine."

The council is also asking people to keep their eye out for illegally dumped rubbish and report it on their website, where it will be investigated and those responsible will be tracked down.

(Published in Teignbridge's weekly update - Stay Connected, June 18th 2021)

Go for the flow - testing not guesswork
(Taken from Devon County Council's weekly update - 'connectme' - June 18th)

A new Devon County Council campaign is encouraging all adults to take twice-weekly rapid lateral flow tests to keep themselves, and others around them, as safe as possible. Lateral flow device tests are for people who do not show any symptoms of having coronavirus. They're an essential part of stopping the spread of coronavirus, because one in three people with COVID-19 don't show any symptoms of having it, and they could be spreading the virus to others unknowingly.

The rapid lateral flow device test kits are widely available to collect from pharmacies and testing sites across Devon and can also be ordered online to be delivered to your door. And if you need help doing a test, you can visit one of our community testing sites too.

Haldon Team notices:

The Revd Carol Green will be licensed as Team Rector on Tuesday July 27th at 7pm at St Michael's, Teignmouth by the Bishop of Exeter. Further details will appear on the Team website or can be gained from the Team Administrator tel: 770115. Her first service will be on 1st August at 6.30pm at St Michael's, all are welcome!

In other news: on August 11th 10am-1pm, there will be a Team Quiet Morning led by the Frosts on the theme of 'Holiday, Holyday'. If taking time out and having some food for thought would be helpful, do feel you can come. The venue is St Michael's Teignmouth & there will be no charge. Contact Richard Frost tel: 870288 to book a place.

In the Autumn, we hope to address the Church of England 'Living in Love & Faith' report through a short course of 6 sessions. There will also be monthly opportunities to explore questions of Faith, in general, together. We hope these will be physical rather than online encounters.

Baptisms, both within and outside main services, weddings & funerals continue to be part of Team life. Please contact the Team Administrator, Mervyn Niblett Tues-Fri: 9-12 on 770115 or the clergy for further conversation.

Do you shop online for clothes, food, presents?

Do you book holidays, flights or accommodation online?

Do you book tickets for train/coach journeys, shows/gigs or sporting events online?

Would you like to raise money for Ideford Church just by shopping online?

If the answer to any of these questions is YES - then please start using **Easyfundraising!** Easyfundraising turns your everyday online shopping into free donations for our village church. There's no catch and your info isn't passed on anywhere else. The bigger the purchase, like a holiday or a large household item, the more money is donated. Our largest donation was £73.44 from Expedia (an online travel company).

Just download the app onto your phone, tablet or laptop. Register that you want to raise money for 'Ideford Church'. Then, just start your online shopping first at easyfundraising, then shop as normal. The retailers will then make a small donation to say "thank you".

There are 4700+ retailers to choose from (including Marks & Spencer, Argos and Tesco) and so far over £35 million has been raised for thousands of community groups, schools, sports clubs, small and large charities across the UK. Easy!

Please start using **Easyfundraising** when buying stuff online.

Rachel

Is anyone in Ideford looking to sell their home?

My wife and I are looking to purchase our first family home and would love to bring our little girl up here in (or in close proximity to) Ideford, where her grandparents already live.

We're searching for a 2-3 bedroom property with some outside space, most things considered and renovation projects no problem.

We have no onward chain and are ready to proceed. We just need to find the right property! Can you help?

Please call or text Mike Aylmore on 07525 796447.

Thank you!

Comments invited on the Draft Teignbridge Local Plan (Part 2) Site Options Consultation

The Teignbridge Local Plan guides the way new development will happen. It explains what supporting infrastructure such as roads, schools and health centres will be needed. It also guides the quality of development and helps the council take a proactive approach to tackling climate change.

What is a Site Options Consultation?

This plan sets out options for where different types of development might be located in Teignbridge over the next 20 years.

Why should you get involved?

Your comments and local knowledge will provide us with valuable insight and a better understanding of sites. All comments submitted will be read, considered and where appropriate inform amendments to the Draft Local Plan.

How do I find out more?

- All information and documents relating to the consultation is available at www.teignbridge.gov.uk/localplanreview
- If you don't have access to the internet, the documents are available to view at local libraries across the district, the District Council Offices at Forde House, Newton Abbot or via your Town or Parish Council.

Unfortunately, in order to ensure safety of residents as we come out of lockdown, and to minimise any risk of spreading the virus, public events will not be held.

How long does the consultation last for?

The consultation will run from: 12noon on Monday 14th June until 12noon on Monday 9th August

Any Questions? Please contact us on localplanreview@teignbridge.gov.uk or 01626 215735
