## Season of remembering

Mark and I are settling very happily in the Rectory here in Teignmouth but we are missing our young adult children. We are missing the mess and the washing, the fact that the ham stays in the fridge for more than a couple of days and we are missing the noise – thundering feet and loud music! It has made me think about family more deeply and how we are made, formed and live in the crucible of creation called family.

Growing up I remember adoring my maternal grandfather who also thought I was wonderful. Not that he was a great huggy person but he showed me individual attention and listened to me. He let me do stuff in his garage which had carpet on the concrete floor, something I couldn't get over. When I was 8 and lived miles from him he died suddenly. My parents didn't involve me in the grieving, didn't take me to the funeral or ever visit his grave with me. It left a big hole in my heart a place of unknowing, sadness and bewilderment.

Dealing with loss is an important part of living. This time of the year is important to many people as a season of remembering - a way of honouring people who have passed. Armistice Day, of course, is an act of national remembrance for those who have died in service of our country as they have helped to preserve our way of life and freedoms.

For Christians All Souls day is a chance to honour and remember those we love but see no more who have helped to mould us as the people we are. After a death the shock can be raw and for some people that rawness will not go away as they have nightmares or live what seems a half life of sadness. Christians are taught that God's mighty power can bring joy out of grief and life out of death. God does not want us to live lives weighed down by grief or regret and through Jesus, Christians are brought to new hope and a more positive and hopeful way of living.

As you remember loved ones we warmly invite you to our services of personal remembrance on Sunday 31<sup>st</sup> October at St Johns, Bishop at 3pm and St Michaels, Teignmouth at 4.30. Let us know if you would like us to read the names of your loved ones at a service which will last 30 mins and include refreshments afterwards. There is also the Dorcas Bereavement Support Group run by Christine Marsh on 01626 772561.

With love in Christ

*Rev Carol*

### **Ideford Remembers** **Sunday 14<sup>th</sup> November at 10.45am** **St. Mary's Church**

Remembrance is part of British life, culture and heritage. It becomes a particular feature of the public calendar at this time of year when public, private, formal and informal remembrance events take place throughout the UK.

You are very welcome to join us at St. Mary's for a short community led Service of Remembrance.

### **DEVON OPEN STUDIOS 2021**

After the Covid restrictions last year, all three of us looked forward to a relatively problem free 8th year at St John's, Luton. We were ready to welcome visitors from far and near. Then came the A380!! We had our doubts as to whether we would see anyone! However, much to our delight people did arrive, often after a struggle and we were able to share our work and the wonderful venue that is St John's Church, Luton.

Paul, Vicki, and I would like to say thank you to everyone who made the effort to visit us, we enjoyed sharing our work and experience with you. However, this event would not happen without the backing of the church and the people of Luton. Thanks to John and Tom Reddaway for removing the pews in under half an hour! To Michael Vooght for transporting work and tables etc, to Paul, Michael, Steve and Dave who made sure the churchyard looked it's best, to Laura and family who made parking possible nearby and to David and Jan Vooght for advertising the event in their holiday barns. Thanks to Kath Vooght and John Reddaway, churchwardens who have supported this event throughout the last 8 years. We are always made welcome and, by way of thanks run a draw to help raise funds for St John's. This year, together with the great daily refreshments total, the sum raised reached £776! After a couple of visitors had put some coins in the locked box on the wall by the door, the sum reached £780. Considering the circumstances, this was a fantastic result, so thank you everyone! We look forward to next year, where we hope run a couple of workshops alongside the exhibition.

Thank you again, we really enjoyed our time in Luton.

Best wishes,

*Angie Vicki and Paul*

### **Thank You**

With my Parish Councillor 'hat' on, I would like to thank Devon County Councillor Ron Peart for his efforts to raise the problems re the A380 roadworks, for the artists this year in our area with Devon County Council. After much discussion, the contractors, finally produced 2 signs, although not entirely clear, they helped a little, so thank you Ron for battling hard on behalf of our local artists.

*Angie CW*

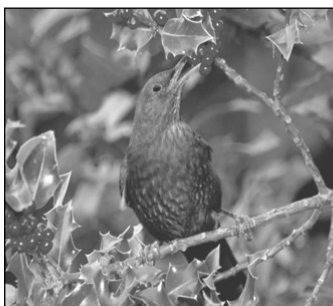

### Time to tidy the garden ..... or is it?

Autumn is traditionally a time for tidying up the garden – cut back, burn, sweep up. But before you get out there with the secateurs and firelighters, spare a thought for the caterpillars, beetles and mice that need somewhere a bit warm to survive the winter. And for the birds that need to find food, especially those (like the blackbirds) that don't benefit from our feeders.

By putting off those tidying jobs until Spring, or forgetting about them altogether, we can really make a difference for nature. Seedheads of spent flowers provide food for the birds, as do berries on shrubs we might be tempted to prune. The hollow stems of angelica or hogweed are used by solitary bees to lay their eggs. Fallen leaves may be refuges for butterfly eggs or caterpillars. And if you're lucky enough to have a hedgehog anywhere near, you'll know that they need a pile of logs or leaves, or an open shed door, to find a place to hibernate.

Our top tips for this autumn are:

- ✓ Leave seedheads, hollow stems and ivy as they are – cut them back in the Spring
- ✓ Wait till the birds have had the berries before you prune shrubs
- ✓ If you have woody cuttings, don't burn them – make a tidy pile in a corner and it instantly becomes a habitat
- ✓ A log pile made of thicker wood is also a great habitat for insects, spiders, frogs, newts and voles (a tough decision, because the wood could also feed your wood-burner!)
- ✓ Leave the greenhouse door open, with some straw inside. It'll be a home for something!
- ✓ Fallen leaves on beds can be left as mulch – beetles or caterpillars may take refuge there, providing food for birds, frogs and toads
- ✓ Where you need to sweep up leaves, make a pile rather than burning them – at the least you'll have some nice leaf mould next year.
- ✓ Enjoy your new-found leisure. Put your feet up and have a cup of tea!

What would be the ideal location for planting a tree?

Please send your responses and suggestion to the Parish Clerk:

**086/21 CONCERNS RAISED BY PARISHIONERS TO COUNCILLORS**  
**086.1** The need for a disabled parking space in the vicinity of the village hall will be discussed at the next village hall meeting.  
**086.2** Concern was raised about the protection of the oak tree on the Millennium Green after it was discovered that it did not have a TPO. Cllr T Hill (M Green trustee) said that the trustee’s role was to protect the tree and that the cost, administration and restriction involved with TPO’s was not justified. It was noted that none of the trees on the Millennium Green had TPOs; and that the trees recently cut down were not on the M Green, but the property bordering it.  
**086.3** Clerk to find out if TDC could carry out an ash dieback report in the village.

**087/21 CLERK’S REPORT AND FINANCE**  
**087.1** The balance of accounts at 31st August 2021 was £11,329.24. The bank reconciliations for July & Aug were agreed by all and signed by the Clerk and the Chairman.

**087.3** The Clerk requested any items to be included in the 2022 – 2023 budget and precept.  
**087.3** To provide a legal and administrative update:  
The date of the next PACT meeting is Wednesday 22nd September 2021 2-4pm at The Village Hall.  
Clerk to source a projector costing in the region of £300 - £400.  
Clerk to purchase a gavel for use at parish council meetings.  
Clerk informed all that she would be starting CiLCA in October 2021.

**088/21 DATE OF NEXT MEETING-** Thursday 14th October 2021. Advance apologies received from Cllr A Carter-Woodwork.  
The meeting closed at 8:09 pm

Please could you be considerate when parking your car. Access to a lot of areas in the village is becoming difficult for larger vehicles and may result in restricted access for emergency vehicles. Please park with care and consideration and if you are lucky enough to have a driveway, please use it.

Thank you!

### 084/21 PARISH MATTERS

**084.1** The resignation of Paul Jervis was noted.

**084.2** Numerous concerns were raised about the latest closure of the A380. The PC wished to thank Cllr R Peart for working hard to gather details about dates and times of the road closures, which are greatly affecting residents. It was proposed by Cllr A Carter-Woodward, seconded by Cllr D Fox and agreed by all to write a formal letter of complaint to Highways and the contractors; and to invite them to a PC meeting for discussion on how planned roadworks could cause less adverse impact.

**084.3** It was agreed to carry out a campaign of leaflets and regular notices in the Parish News reminding residents to park sensibly, particularly regarding leaving access for larger vehicles. A village car-park was suggested; and it was noted that this was mentioned in the village plan.

**084.4** It was proposed by Cllr A Carter-Woodward, seconded by Cllr T Hill and agreed by all to adopt the Parish Council Risk Assessment. The assessment was signed by the Chairman.

**084.5** Wildlife warden report:

1. Both have completed Module 1 introduction training with the Climate Change team.
2. Booked on next module, leading workshops/ Group activities and completing risk assessments.
3. Currently considering how to commence a Village Wildlife Survey and if any resident reading minutes has ideas, we would welcome to hear from you.

## Your Parish News is 51 years old!

While browsing through some old files recently, I came across a copy of the first edition of the parish newsletter, dated November 1970. It was written as a letter from the Rev Fred Rawson to try and improve communication between the parishes. It thanks Mr Stanley Way for his work on the new clock for Ideford Church tower, and for making a special clock and presenting it to Ideford school. Under his instruction, every child helped to make a cogwheel in the clock. It also mentions a coffee morning held by Mrs Baron which raised £20 to buy new cruets for the church, and a cheese and wine party held by Mrs Silvester to raise funds for new cassocks for the choir.

Thanks to Ann Rigby-Jones, I have a copy of every newsletter from this first edition to the present day. If you would like to browse through any of them, I would be happy to lend them.
